Harriet Cole, Commissioner  
Neal Pann, Commissioner  
Todd Storti, Commissioner

**HOW TO PARTICIPATE IN YOUR PLANNING COMMISSION MEETING** - You can participate in the meeting in a number of ways:

**Speaker Cards** - If you wish to address the Planning Commission, you must complete a speaker card for each item about which you want to speak. The speaker card box is located in the Council Chambers lobby. Place your speaker card in this box behind the tab that corresponds to the agenda item number. Staff will collect the cards for each item immediately before the item is to be considered and gives the speaker cards to the Chair. The Chair will call speakers to the public lectern. No cards will be accepted once the presentation on that item has commenced.

**Citizens Forum** is an opportunity for the public to speak regarding items not listed on the agenda. Speakers are limited to a maximum of five minutes per person. The Chair may reduce the amount of time based on the number of persons wishing to speak. You should be aware that the Planning Commission is prohibited by State law from taking action on any items that are not listed on the agenda. However, if your item requires action, the Planning Commission may place it on a future agenda or direct staff to work with you and/or report to the Planning Commission on the issue.

**Public Hearings** - The topic of the hearing is typically summarized by staff, followed by questions from the Planning Commission and a presentation by the applicant. The Chair will then open the hearing to the public and offer an opportunity for public comments. You may take a maximum of five minutes to make your comments. The Chair may reduce the amount of time based on the number of people wishing to speak.

**Other Agenda Items** are also open for public input including *Consent Calendar* or *Matters for Consideration* items. These comments are also subject to the five minute limit.

**Written Materials** may be submitted by the public. If you wish your materials to be sent to the Planning Commission prior to the Planning Commission meeting, they must be submitted to the Planning Department no later than noon on the Thursday prior to the Tuesday meeting. Those items will be copied and sent to the Planning Commission with the agenda packet. Materials submitted after noon on Thursday will be copied and given to the Planning Commission the night of the meeting; however, it is unlikely that the Planning Commission will be able to read the materials before the start of the meeting. Therefore, it is suggested that you give a verbal summary of your materials at the meeting.

The **Planning Commission Agenda and Staff Reports** are prepared by City staff and are available for public review on the Friday evening prior to the Planning Commission meeting in the Civic Center Library, 1188 South Livermore Avenue, Livermore and on the City's website <http://www.cityoflivermore.net>.
