City of Livermore

FOR MEMBER OF THE LIVERMORE CITY COUNCIL

EVAN BRANNING

Occupation: High School Teacher

Together let's make Livermore even better! Livermore is an amazing place to live, work, and raise a family. Years ago when I arrived here, the residents immediately made me feel welcome. This inspired me to give back to my new community.

I joined the LARPD Foundation, Livermore Human Services Commission, Alameda County Public Health Commission, and currently serve on the Livermore Planning Commission. I collaborated with other community members to create Unify Livermore and the Tri-Valley Transit Coalition. These experiences helped me learn how important it is to develop an impactful and trusting relationship with all those involved.

I have been effective in working with a broad coalition to improve our quality of life. I will continue working with you for safe, beautiful streets and neighborhoods; reduced homelessness; varied housing opportunities; innovative, thriving businesses; and strong city finances. Above all I believe in open and honest communication, helping others, and serving our city.

As your City Council Member I will listen to your concerns and advocate for you. I would be honored to have your vote.

I will read and respond to your questions and comments at evanbranning.com or at 925-232-1101.
