

**FOR CITY COUNCIL DISTRICT 2**

**MEL CHIONG**

**Age: 58**

**Occupation: Small Business Owner**

I would like to see Livermore continue to be the thriving, welcoming, and dynamic City that it is. To this end, I contribute by being an active community volunteer with a variety of organizations and causes.

I currently serve on Livermore's General Plan Advisory Committee (GPAC), helping with the City's long-term vision for the next 20 years and beyond. It is exciting to be part of a committee that gives me a deeper understanding of how the City works, at the same time help plan and address issues on housing, transportation, businesses, jobs, climate change, public health, services, arts and more.

Born and raised in the Philippines, my husband and I moved to the United States 28 years ago. Livermore has been home for the last 24 years, having raised our 2 young adult children here. Out of my passion for travel, I continue to operate my travel business I started 7 years ago. The skills to listen, research, and communicate apply to my business as they will as a Councilmember.

It would be an honor to serve in the City Council. To know more, please visit [www.mel4livermore.com](http://www.mel4livermore.com)
