

Candidate Statement for John P. Marchand

As Livermore's mayor, I will continue my commitment to public service and good city governance. Both result from proven leadership and listening to our resident's voices.

During my service as mayor from 2011 - 2020, Livermore thrived. Our city's pension debt was reduced by over \$60 million and a long-term asset management plan was developed and implemented. We approved more parks and open space. We added additional downtown parking, Livermore residents' top priority.

Over 90% of residents polled in 2020 agreed that Livermore is a great place to live and raise a family. Livermorium Plaza and the first phase of Stockmen's Park have been completed, and a new, larger Veteran's Park has been approved.

A recent independent analysis concluded that Livermore's Police Department is fair and unbiased. I will keep Public Safety a top priority.

The Mayor and the Council are responsible for the quality of life of our entire community. I look forward to pairing my experienced leadership with fresh ideas from the new council members and city management to continue to improve life in Livermore.

As your mayor, I will listen to your needs and apply my experience to work for you. Please vote for John Marchand for Mayor.
