

Carol Wahrer
Early Childhood Educator

As a 30 year resident of Livermore, I am excited to represent you on City Council. When listening to our neighbors, I consistently heard that you do not feel our current City Council is addressing your concerns. I will advocate that your ideas about the city's direction and character be prominently represented as the City's priorities. For three decades I have worked, raised my child, and actively participated in the Livermore community. As your City Council member, I will work hard on the issues that concern you such as affordable housing, traffic, parking, safe walkability, airport noise, homelessness, and improved public transportation. Our City budget and actions must reflect the priorities of you, the Livermore residents. I look forward to joining the City Council to make sure the voices of this community guide the City's actions. I appreciate your support. Together we can help Livermore grow as a community that welcomes everyone.
