

Application for Temporary Electrical and/or Gas Connection

I, _____, owner/contractor of the building located at, _____, Livermore, CA, hereby request approval for temporary connection to the **electric utility service and/or gas utility service** and certify that such connection is necessary for the purpose of testing equipment and providing power to facilitate completion of the building and that the building will not be occupied for purposes other than doing work necessary to complete the building until authorized by the Building Official through issuance of a certificate of occupancy as specified in Section 111 of the California Building Code. Owner/contractor acknowledges that the deposit in the amount of **\$500.00 for each utility** will be returned upon request, provided the building was not occupied for purposes other than stated above, and a certificate of occupancy has been issued by the Building Official. **Unapproved occupancy shall be cause for forfeit of deposit**, and cause for disconnection of electrical utilities and/or gas utilities. In the event this structure is occupied prior to issuance of a certificate of occupancy, the owner or contractor by their signatures, hereby authorize the City of Livermore to have electrical and/or gas utilities disconnected.
